MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is made between the

ELECTRONICS STUDY CENTRE,

402, 'Olive Arcade', besides Metro Mall,
Tapowan Road, Station Road,
NASHIK, Dist. Nasik, Maharashtra, INDIA. 422011

----- Here-in after referred as **ESC.**

AND

**Department of Electronics & Telecommunication Engineering,
Shri Shivaji Vidya Prasarak Sanstha's,
Bapusaheb Shivajirao Deore College of Engineering,
Vidyanagari, Deopur, Dist: Dhule,
MAHARASTRA, INDIA, 424 002**

Introductory:

About Electronics Study Centre, Nasik

Established in 2012, Electronics Study centre is an ISO 9001:2008 Certified Study Centre. It works on the core branches like Electrical/ Electronics/ Mechanical with the sole objective of professional skill development of the students from Electrical/ Electronics engineering. Our motto is to minimize the gap between education and Industry. We had taken a copyright on 'Three phase induction motor panel assembly and its maintenance' by the name "Me and My Pump." Also we have published a book on core Electrical/ Electronics entitled, 'A Manual of Electronic Components.' We organizes the Seminars, Workshops, Internship, Industrial trainings, Interview sessions, Technical debates/ competition/ quiz etc.

Vision- Empowering Engineering Professionals as Electrical/ Electronics/E&TC Entrepreneurs.

Mission- To Develop Electrical/ Electronics/E&TC Engineering Students' Skill by practice.

Aim- To increase students' interest in Electrical/ Electronics/E&TC and boost their confidence.

About Shri Shivaji Vidya Prasarak Sanstha's B. S. Deore College of Engineering, Dhule

Shri Shivaji Vidya Prasarak Sanstha's B. S. Deore College of Engineering, Dhule, is one of the oldest Engineering College established in the North Maharashtra region in 1983. The institute is affiliated to the Dr. Babasaheb Ambedkar Technological University, Lonere, Raigad, Maharashtra and approved by AICTE, New Delhi. It is a co-education institute, responsible for imparting industry-responsive UG, PG and Ph.D. level programs, in the field of engineering and technology & professional education. This institute is committed to be vibrant, keeping pace with technological development and expecting to achieve excellence in imparting technical education to budding engineers, who will be pillars of our nation. The institute has excellent, highly qualified faculties, well equipped laboratories and research lab. Presently the Institute offers UG Programs in disciplines like Civil Engineering, Computer Engineering, Electronics & Computer Engineering, Electronics & Telecommunication Engineering, Electronics Engineering & Mechanical Engineering. The institute also offers PG program in MBA, which is affiliated to Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon.

The **Department of Electronics & Telecommunication Engineering** was established in **1999** with intake of **60** initially and continued with same intake till 2023 in the Institute. The intake of department was successfully increased with permission of AICTE & DTE to 90 in 2024 and also got permission to increase in intake to 120 in 2025.

1. Benefits to the Institute:

- | | | |
|--------------------------------------|--------------------------------------|--|
| 1. Academic ☐ | 2. Projects ☐ | 3. Internship ☐ |
| 4. Workshop ☐ | 5. Research ☐ | 6. Entrepreneurship Development ☐ |

It is mutually agreed by **ESC, Nasik** and **Department of Electronics & Telecommunication Engineering, Shri Shivaji Vidya Prasarak Sanstha's B. S. Deore College of Engineering, Dhule** that this MOU is to bridge the gap between the industry and the academia, empowering professionals as Entrepreneurs and enrich young talent pool from **Department of Electronics & Telecommunication Engineering, Shri Shivaji Vidya Prasarak Sanstha's B. S. Deore College of Engineering, Dhule**, by enhancing their technical competencies to match the industry requirements.

Department of Electronics & Telecommunication Engineering, Shri Shivaji Vidya Prasarak Sanstha's B. S. Deore College of Engineering, Dhule and **ESC Academy of skill development Technology** have identified certain forefront areas to carry out joint work as follow:

1. Conduction of Expert lecture/ Seminar to the students on the core area.
2. Conduction of Hands-on practice workshop for students to develop their skills in the core area.
3. Organizing Industrial Visit to the core Industry.
4. Internship for students in winter/ summer vacation.
5. Conduction of Entrepreneurship Development Camps for **Department of Electronics & Telecommunication Engineering, Shri Shivaji Vidya Prasarak Sanstha's B. S. Deore College of Engineering, Dhule** Students.
6. Developing Entrepreneurship Centre to develop students as a Entrepreneur.

7. Developing a Centre of Maintenance and Repairs of Electric domestic/ industrial appliances to provide service to the college and society.
8. Developing a domestic/ commercial/ industrial product, its manufacturing and marketing in entrepreneurship development of **Department of Electronics & Telecommunication Engineering, Shri Shivaji Vidya Prasarak Sanstha's B. S. Deore College of Engineering, Dhule** students.
9. Guidance and help for Mini Projects.
10. Allotment of industry need based project work and its guidance to **Department of Electronics & Telecommunication Engineering, Shri Shivaji Vidya Prasarak Sanstha's B. S. Deore College of Engineering, Dhule** final year students.
11. Providing necessary platform to carry out the projects at industry.
12. Developing and contributing in the curriculum development at **Department of Electronics & Telecommunication Engineering, Shri Shivaji Vidya Prasarak Sanstha's B. S. Deore College of Engineering, Dhule**.
13. Developing laboratory by Technical flex chart, banners, display board, components showcase board etc.
14. Sponsoring the technical events and symposiums conducted at **Department of Electronics & Telecommunication Engineering, Shri Shivaji Vidya Prasarak Sanstha's B. S. Deore College of Engineering, Dhule**.
15. Conduction of virtual campus interview for students.

TERMS AND CONDITIONS

1. This MOU shall be effective from the date it is executed by or on behalf of both the parties.
In witness whereof, both the parties hereto have executed this MOU in duplicate on the day and the year herein under indicated.
2. All the activities shall be planned and arranged at the discretion and with the prior consent of both the parties.
3. Both the parties reserve the discretion of deciding their area of interest. This understanding between the two parties is non-exclusive.
4. Either party may terminate this agreement with a notice of 60 days to other party.
5. The MOU would be revised at the end of 60 months from the date of signing.
6. The infrastructural arrangement for conducting training program, workshop and guest lectures will be made by the host organization at the time of event.
7. **Department of Electronics & Telecommunication Engineering, SSVPS BSD COE, Dhule** will not charge any amount against infrastructure used during Workshop and Training.
8. Placement of the students will be as per the requirement, terms and condition of the companies.

For and on behalf of
