

**SSVPS' B. S. DEORE COLLEGE OF ENGINEERING, DHULE**  
**DEPARTMENT OF APPLIED SCIENCES**

**I<sup>st</sup> Year B.Tech Examination Pattern and Evaluation Scheme for**  
**Academic year 2017-18**

All Students are hereby informed to note Examination Pattern and Evaluation Scheme as follows.

| <b>Exam</b> | <b>Title of Exam</b>                | <b>Authority</b> | <b>Marks</b> |
|-------------|-------------------------------------|------------------|--------------|
| 1           | IA (Internal Continuous Assessment) | College Level    | 20           |
| 2           | MSE (Mid Sem Exam)                  | University Level | 20           |
| 3           | ESE (End Sem Exam)                  | University Level | 60           |

**Distribution of IA is as follows**

IA<sub>1</sub> :- Theory test exam based on **Unit I** of 20 marks.

IA<sub>2</sub> :- Theory test exam based on **Unit II** of 20 marks.

$$IA_{FH} = \frac{IA_1 + IA_2}{4}$$

Marks obtained by student out of 10 in IA<sub>FH</sub> (FH- First Half) will be uploaded on DBATU Portal before MSE by Subject Teacher.

MSE of 20 marks is based on **Unit I, II & III**. Marks obtained by student out of 20 will be uploaded on DBATU Portal immediately after MSE by Subject Teacher.

IA<sub>3</sub> :- Theory test exam based on **Unit IV** of 20 marks.

IA<sub>4</sub> :- Theory test exam based on **Unit V** of 20 marks.

$$IA_{SH} = \frac{IA_3 + IA_4}{4}$$

Marks obtained by student out of 10 in IA<sub>SH</sub> (SH- Second Half) will be uploaded on DBATU portal before ESE by Subject Teacher.

ESE Exam of 60 Marks is based on **Unit I to Unit VI**.

Tentative Dates of Exams are declared in Academic Calendar. Time to Time updates will be displayed on website.
