

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING

Workshop on INNOVATION IN DRONE TECHNOLOGY

DATE	TIME	MODE & AUDIENCE
13 May To 14 May 2026	11:00 AM - 5:00 PM	Offline T.Y.& S.Y B.Tech

RESOURCE PERSON

Mrs. Snehal N. Gawali

Nitya Innovation LLP, Navi Mumbai

ABOUT THE INSTITUTE & DEPARTMENT

SSVPS's Bapusaheb Shivajirao Deore College of Engineering is a prestigious institution dedicated to excellence in technical education. The Dept. of Electronics & Telecommunication Engineering stays at the forefront of technology, fostering innovation and providing students with hands-on experience in emerging fields like Robotics and UAVs.

MAIN OBJECTIVES

- To provide foundational knowledge of drone components and flight mechanics.
- To explore innovative design trends in UAV technology.
- To understand industrial applications: agriculture, surveillance, and logistics.
- To introduce flight control algorithms and autonomous navigation.
- To bridge the gap between academic theory and real-world drone innovation.

HEAD OF DEPARTMENT

Dr.Prof. Pravin S. Patil

Head, Dept. of E&TC

PROGRAM CO-ORDINATORS

Prof. Medha V. Joshi (Asst. Prof)

Prof. Vaishali R. Hire (Asst. Prof)

Ph: 9422289817, 9284053767

Shailesh Patil (Student)

Ankita More (Student)

Pavan Patil (Student)

Adhiraj Pawar (Student)

Ph: 7028117674, 9322645126
