About College

Shri Shivaji Vidya Prasarak has completed Century of its Foundation. In the era of Industrialization and rapid technological development, Sanstha decided to start Engineering College & Polytechnic in the year 1983. Sanstha got the permission to start College of Engineering in July 1983 vide letter No.10/TO/1083-35362 dated 08/07/1983 under the guidance of Hon. Dajisaheb Rohidasji Patil, then the Minister of Maharashtra state. The College is approved by AICTE, New Delhi and Accredited by NBA for 3 years and Institution of Engineers(India), an apex body of Engineers. Affiliated with DBATU since the year 2017-18. Completing more than 30 Years of success in Engineering education and emerging demands in Industries in the era of Globalization, the Institute launched a graduate program in Management and Engineering approved by AICTE and affiliated with North Maharashtra University, Jalgaon(M.S).

Vision: A Premier Institute as a Dynamic Entity contributing to Human Resource development.

Mission: To develop Technocrats with Awareness of Socio-economic needs for Sustainable growth.

About the Computer Engg. Department:

Department of Computer Engineering is a growing Department with the undying efforts and potential of 25 Teaching and 5 Technical Staff members under the leadership of Prof. Dr. Hitendra D. Patil (Principal) and Prof. Dr. Indrabhan Supdu Borse (Head). The Department was established in the year 1992. It offers programmes on Bachelor Degree in Computer Engineering (B.Tech.) This programme is approved by AICTE and affiliated to Dr. Babasaheb Ambedkar Technological University, (DBATU) Lonere, with an intake of 240 in B.Tech. We focus in imparting the core science underlying the computing aspects, so that students cope easily with today's modern and upgrading technologies. We also strive to bridge the theory- practice gap by applying continuous effort in teaching, learning and by periodically measuring the outcomes. The department inculcates technical, analytical and communication skills in students that would suffice for any job in the current challenging world. The Department provides suitable environment that enables students to follow their instincts of learning and doing innovative things.

Vision: To be the center of excellence in computer engineering education and research contributing the global development.

Mission: To develop Technocrats with Awareness of Socio-economic needs for Sustainable growth.

SSVPS Engineering Team Shines at National Entrepreneurship Challenge (NEC) 2025 Finals at IIT Bombay

Mumbai, Maharashtra – A talented team from SSVPS B. S. Deore College of Engineering, Dhule, successfully participated in the prestigious National Entrepreneurship Challenge (NEC) 2025 Finals held at the Indian Institute of Technology (IIT) Bombay on February 1, 2025.

The team comprised of Unnati Girase, Mansi Chaudhari, Mansi Jagtap, Ruchika Dhole, Isha Sonawane, Rutuja Chavan, Jagruti Patil, Riya Soti, Ashwini Sonawane, Krutika Wadge, Swati Salunkhe, Vaibhavi Mahajan, and Sakshi Shelar. They showcased their innovative entrepreneurial ideas and solutions on this highly competitive national platform, demonstrating the college's commitment to nurturing future innovators.

Team SSVPS in NEC-2025 Finals at IIT Bombay

Their participation in the NEC 2025 Finals at a premier institution like IIT Bombay marks a significant achievement, providing invaluable exposure and experience in the dynamic world of entrepreneurship. The entire SSVPS community extends its congratulations to the team for reaching this advanced stage of the challenge and representing the college with distinction.

SSVPS B.S. Deore College of Engineering to Host Workshop on "Artificial Intelligence Tools for Educators"

Dhule, Maharashtra – SSVPS's Bapusaheb Shivajirao Deore College of Engineering in Dhule is set to host a significant one-day workshop titled "Artificial Intelligence Tools for Educators" on February 20, 2025.

The workshop aims to equip educators with practical approaches and initiatives for implementing cutting-edge AI tools in their teaching practices. Dr. Mahesh R. Sanghavi from SKILLS Late Sau K.B. College of Engineering, Chandwad, Nashik, will serve as the resource person.

The day's agenda includes sessions on ICT Tools, AI Tools (Part 1 & 2), and a dedicated Q&A session. Organized by the Department of Computer Engineering. The event, held under the patronage of SSVPS Chairman Hon'ble Shri. Subhashji Shivajirao Deore and Industrialist Hon'ble Shri. Vilasji Subhash Deore, underscores the college's commitment to advancing technological education and faculty development.

Manish Tiwari Presents Paper on Deepfake Detection at International Conference

Nashik, Maharashtra – Manish Tiwari has presented a research paper titled "Exploring Deepfake Generation and Detection Techniques: Challenges, Datasets, and Emerging Solutions" at the First International Conference on Emerging Technologies and Computing Innovations (ICETCI-2025).

The prestigious conference was held from February 22nd to 23rd, 2025, at Hotel Grand Rio, Nashik, India. The event was organized by MG Aricent Educational Foundation, Yavatmal, Maharashtra, India, with Springer as the publication partner.

The certificate confirms Tiwari's contribution to the discussion on critical contemporary issues in computing and emerging technologies, specifically addressing the growing challenges of deepfake technology. The conference featured Dr. Tien Anh Tran as Program Chair, Dr. Mangesh Ghonge as Conference Chair, and Mrs. Sneha Dakhore as Program Secretary.

Technofest Inaugurated with Great Enthusiasm at SSVPS B. S. Deore Engineering

SSVPS B. S. Deore College of Engineering and Technology, Dhule, inaugurated its annual technical fest Technofest 2024-25 on February 28. The event is organized by the departments of Electronics and Telecommunication Engineering. The fest was inaugurated by Principal Dr. Hitendra D. Patil, along with dignitaries and faculty members. The event aims to foster innovation and technical skills among students, with participation from various engineering departments.

Various competitions such as poster presentation, project exhibition, coding contests, technical quizzes and many more are being held. Students have shown great enthusiasm, and the initiative is being appreciated widely.

SSVPS BSD College of Engineering Students Advance to DIPEX-2025 Finals at COEP Pune

Dhule, Maharashtra – Promising students from the Second Year Computer Engineering program at SSVPS B. S. Deore College of Engineering, Dhule, have successfully cleared the first round of the prestigious DIPEX-2025 competition. The selected students are Diya K. Mali, Manaswi Y. Chaudhari, Shruti D. Rana, Rashmi B. Patil, and Shivanjali P. Patil. Their initial round of competition was held on March 4th, 2025, at the Government College of Engineering, Jalgaon.

Having showcased their innovative ideas and models, these young engineers have now been selected for the next round, which will take place at the COEP Technological University in Pune from April 3rd to 6th, 2025. DIPEX-2025 is a State Level Exhibition-cum-Competition of Working Models for Engineering, Agriculture, and ITI students from Maharashtra and Goa. The SSVPS B. S. Deore College of Engineering community extends its best wishes to these talented students for their upcoming participation in Pune.

Traditional Day and Hollywood Day Celebrated with Enthusiasm at Deore College of Engineering

Dhule, March 21, 2025 – Shivaji Vidya Prasarak Sanstha's Bapusaheb Shivajirao Deore College of Engineering, Dhule, celebrated Traditional Day and Hollywood Day under the annual cultural event "Spandan 2025".

The campus was filled with festive energy as students dressed in vibrant traditional and themed attire, showcasing the rich cultural heritage and modern styles. The entire day witnessed enthusiastic participation from students and faculty members alike.

Students enjoyed group selfies, fun activities, and cultural bonding, making the event lively and memorable. The celebration was held under the guidance of Principal Prof. Dr. Hitendra Patil, with coordination by Prof. Dr. Shailesh Deore, Prof. Harshal Deshmukh, and Prof. Dhiraj Jadhav.

Parent Meet Organized for Second-Year Students at SSVPS B.S. Deore College of Engineering

April 26, 2025 – The Department of Computer Engineering at SSVPS B.S. Deore College of Engineering organized a Parent Meet for second-year students on April 26, 2025. The event aimed to strengthen the bond between parents, students, and faculty, and to discuss the academic progress and overall development of the students.

During the meet, faculty members presented insights into the curriculum, examination patterns, co-curricular activities, and student performance. Parents were encouraged to share their feedback and suggestions to support student growth and improve the academic environment.

The event witnessed enthusiastic participation from parents and received positive responses for fostering open communication and collaboration between home and institution.

ABVP Celebrates Indian Soldiers' Achievements with Sweet Distribution

May 1, 2025 – The Akhil Bharatiya Vidyarthi Parishad (ABVP) units across the Khandesh region celebrated the remarkable achievements of Indian soldiers with a joyous distribution of 'pedhas' (sweets) today.

The celebrations, reportedly linked to recent developments or operations by Indian forces, including those in Kashmir, saw ABVP members distributing sweets to express their gratitude and joy for the soldiers' dedication and bravery.

In various locations, including college campuses, students and citizens participated in the distribution, demonstrating widespread appreciation for the Indian armed forces. One such event was observed at the Department of Computer Engineering, where members were seen sharing the celebratory sweets.

The ABVP stated that these celebrations symbolize the nation's immense pride and support for its soldiers, acknowledging their sacrifices for national security and integrity.

Workshop on "Python with Data Science" Conducted at SSVPS BSDCOE, Dhule

The Department of Computer Engineering at SSVPS BSD College of Engineering, Dhule, successfully organized a two-day workshop titled "Python with Data Science" on 27th and 28th May 2025 for Third Year Computer Engineering students. The workshop was conducted by eminent resource person Dr. Vivek D. Patil from VIIT, Pune, who provided deep insights into Python programming and its applications in the field of Data Science.

The sessions included both theoretical concepts and a dedicated hands-on session, allowing students to practically implement Python-based data analysis techniques. A total of 100 students actively participated in the workshop, making it an engaging and interactive learning experience. The event was organized under the guidance of Principal Prof. Dr. Hitendra D. Patil and Head of Department Prof. Dr. I.S. Borse. The workshop was efficiently coordinated by Prof. Manish R. Tiwari, ensuring smooth execution and enthusiastic student involvement. The workshop was a great success, enriching students with practical knowledge and boosting their readiness for data-centric careers.

SSVPS B.S. Deore College of Engineering Students Excel in IIT Bombay Spoken Tutorials

Dhule, Maharashtra – The Department of Computer Engineering at SSVPS B. S. Deore College of Engineering proudly announces the successful completion of IIT Bombay's Spoken Tutorial courses by a significant number of its students. This initiative, designed to bolster practical programming skills, saw enthusiastic participation from both second and third-year engineering students.

On May 30, 2025, 115 students from the Second Year Computer Engineering program appeared for the examination in Python 3.4.3. Following this, on May 31, 2025, 110 students from the Third Year Computer Engineering program successfully completed their Java course examination.

The entire event was meticulously organized by the college's Department of Computer Engineering. Prof. Manish R. Tiwari efficiently coordinated the certification drive, operating under the insightful guidance of Prof. Dr. I.S. Borse, Head of the Computer Engineering Department. This accomplishment highlights the college's dedication to equipping its students with valuable, industry-relevant skills and fostering a robust learning environment.
