

Academic Year	Name of Staff	Full Name of Conference	Level	Date of Conference/Presentation	Title of Paper
2022-23	Dr. Sanjeeve Damodar Suryawanshi	National conference on energy and environmental for sustainable development	National	5-6 July 2022	Performance analysis of waste to best solar water heater
2022-23	Dr. Sanjeeve Damodar Suryawanshi	National conference on energy and environmental for sustainable development	National	5-6 July 2022	Design, development and evaluation of solar tunnel dryer for seasoning and straightening of bamboos
2022-23	Dr. Sanjeeve Damodar Suryawanshi	National conference on energy and environmental for sustainable development	National	5-6 July 2022	Experimental and Numerical Simulation of Flows over Wetted Surfaces of Different Cross Section Profile Pipes
2022-23	Dr. Sanjeeve Damodar Suryawanshi	2 nd international conference and exposition on Advances in Mechanical Engineering (ICAME-2022)	International	23 – 25 June 2022	Analysis of Vehicle Accidents in a Parameter of Quantitative study and Evaluation of Safety Parameters
2022-23	Dr. Sanjeeve Damodar Suryawanshi	International conference on Emerging trends in Engineering and Technology	International	20 – 21 July 2022	Evaluating Frontal Crash Test of Developed Vehicle Chassis Frame Structure to Identify Crashworthiness Through Scaled Model for Injury reduction
2022-23	Dr. Purushottom Shivdas Desale	International Conference on Mechanical, manufacturing, Industrial and Civil Engineering	International	11/01/2023	Effect of stress relieving on static load for helical compression spring made of spring steel wire
2022-23	Dr. Purushottom Shivdas Desale	International Conf. on Science, Engineering & Technology	International	14/01/2023	Impact of stress relieving on static load for helical compression spring of stainless steel
2022-23	Dr. Deepak Chandrabhan Sonawane	International Conference on Green Energy 2023.	International	16-17 May 2023	Thermal Performance analysis of serpentine tube flat plate collector used for Effluent Treatment

2023-24	Prof. Deepak Dashrath Bagale	Fifth International Scientific Conference of Alkafeel University(ISCKU 2024)	International	17-18 February 2024	Process optimization of composite of polytetrafluoroethane by carbonmaterial under dry conditions for wear resistance
2023-24	Dr. Sanjeeve Damodar Suryawanshi	NMVPM's and PCET's Nutan Maharashtra Institute of Technology,Pune, (NMIET)	International	24-25 May 2024	Pebble Bed Thermal Storage for Building Cooling with Evaporative Cooling System
2023-24	Prof.Nikhil Sunil Deshmukh	International Conference on Advancement in Science, Technology and Management (ICASTM) 2024	International	2024	Corrosion Inhibitors and Effect of Various Mechanical Processes on Material Corrosion
2023-24	Dr. Purushottom Shivdas Desale	International Conference on recent trends in science engineering and technology	International	22/12/2023	Experimental Investigation of Structural and Dynamic behavior of Artificial, Natural and Hybrid Composites for Automobile and Aerospace Applications.
2023-24	Dr. Purushottom Shivdas Desale	ICASTM-2024	International	25/04/2024	Collision inhabitator and effect of various mechanical processes on material corrosion
2023-24	Dr. Deepak Chandrabhan Sonawane	4th International Conference on Advances in Engineering, Technology & Business Management Under the Aegis of Western Regional Chapter of Solar Energy Society of India (SESI).	International	24-25 May 2024	Pebble Bed Thermal Storage for Building Cooling with Evaporative Cooling System
2024-25	Prof. Gunvant D Shedke	Mechanical Engineering for Sustainable Development: ISME-2024	International	2025	Investigating the influence of nano coolant and cross-sectional variations on microchannel cooling for electronic devices
2024-25	Prof. Deepak Dashrath Bagale	Frontiers in Nanomaterials Sciences	International	21-23 Dec 2024	Formation of sustainability-based packaging film through daily source polysaccharides

2024-25	Prof. Abhijit Tukaram Chaudhari	International Conference on Digital Transformation for Advanced Manufacturing & Urban Development – 2025	International	22 January 2025	Review on ‘Effect of remelting process on various coating process for enhancing material properties
2024-25	Prof. Dhiraj Rajendra Jadhav	International Conference on Digital Transformation for Advanced Manufacturing and Urban Development	International	22/01/2025	Review of Wear and Corrosion Resistance in Biomedical Materials
2024-25	Prof. Dhiraj Rajendra Jadhav	Engineering Advances 2024: First International Conference	International	12-14 June 2024	Tribocorrosion and Wear Resistance of Biomedical Materials: A Comprehensive Review
2024-25	Prof. Dhiraj Rajendra Jadhav	National Conference on Mindfulness, Spirituality and Technology	National	23 August 2024	Biomedical Material’s Tribo-corrosion and Wear Resistance: An Extensive Analysis
2024-25	Dr. Sanjeeve Damodar Suryawanshi	It's fifth edition of International Exhibition and Conference on Materials, Engineering, technology and advances in Heat Transfer MET+ HTS 2024	International	4-6 Sept 2024	Sustainable Ventilation
