Working Experience

- Name of College : S. S. V. P. S.'s. B. S. Deore
College of Engineering, Dhule
- Designations : Assistant Professor,
Assistant Training & Placement Officer
- Departments : Management Studies, Training & Placement
Electronics Engineering
- Experience : Management Studies: 8th July 2021 – till date
Training and Placement: July 2014 to 7th July 2021
Electronics Engineering: 15th December 2011 to
10th August 2018
- Subjects Taught :
 1. Management Science
 2. Human Resource Management
 3. Soft Skills I, II, III
 4. Communication Systems-II
 5. Digital Techniques and Applications
 6. Electronic Instrumentation/Component
Devices and Instrumentation technology
 7. Elements of Electronics and Electrical
Engineering

Software Skills

- Masters in Software Testing : July 2022

Achievements

- First Prize Winner at North Maharashtra Level Elocution English Elocution Competition on 'Health is Wealth', organized by 'English Language Teachers' Association of India (ELT@I) on October 5th 2019
- Letter of Appreciation from 'The Institution of Engineering and Technology'(IET) for outstanding contribution in conducting University Level Competition 'NICE-2014'

Projects Undertaken

Master in Business Administration: To Study the Influence of Organizational Culture on Job Satisfaction At Mahindra Tools And Die Plant, Nashik

Mahindra and Mahindra a well known organization offers conducive environment for its employees and thus excels with its motivated and upgraded employees. Employee satisfaction is reflected through the perks offered by the organization.

Master of Engineering: ECG Denoising Using Wavelet Transform

The goal was to denoise low frequency noise corrupted ECG signal. Tool used was Wavelet Transform, as it has time-frequency approach which is a major limitation of Fourier Transform. Parameter used to judge the quality of denoised ECG was signal to noise ratio. Matlab was the software environment.

Bachelor of Engineering: Microcontroller Based Solar Inverter

The main goal was to overcome the problem of energy crises by using non-conventional energy source, solar energy. The aid of microcontroller 8086 was beneficial to use solar energy for charging of mobile phones, glowing of household light etc.

Responsibilities Handled

- Represented as Incharge Head of Department of Management Studies at S.S.V.P.S.'s.B. S. Deore, College of Engineering, Department of Management Studies from 12th June 2022 to 9th July 2022.

- Coordinator of 'SPANDAN 2k24' at S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on 22nd February 2024 & 23rd February 2024.
- Induction for M.B.A. Students for academic batch 2023-2025 and 2021-2023 dated on 4th September 2023 & 28th December 2021 respectively at S.S.V.P.S.B.S.Deore, College of Engineering, Dhule.
- University level technical event, 'Nurturing Intelligence for Curious Engineers (NICE-2018)', in collaboration with world level technical body, 'Institution of Engineering and Technology(IET)', conducted by S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on September 11th 2018
- University level technical event, 'Present Around The World, (PATW-18)', in collaboration with world level technical body, 'Institution of Engineering and Technology(IET)', conducted by S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on February 9th 2018
- University level technical event, 'Nurturing Intelligence for Curious Engineers (NICE-2017)', in collaboration with world level technical body, 'Institution of Engineering and Technology(IET)', conducted by S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on August 30th 2017
- University level technical event, 'Present Around The World, (PATW-17)', in collaboration with world level technical body, 'Institution of Engineering and Technology(IET)', conducted by S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on March 18th 2017

- Inter-State level technical event, 'Nurturing Intelligence for Curious Engineers(NICE-2016)' , in collaboration with world level technical body, 'Institution of Engineering and Technology(IET)', conducted by S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on September 23rd 2016
- University level technical event, 'Nurturing Intelligence for Curious Engineers (NICE-2015)', in collaboration with world level technical body, 'Institution of Engineering and Technology(IET)', conducted by S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on September 10th 2015
- University level technical event, 'Present Around The World, (PATW-15)', in collaboration with world level technical body, 'Institution of Engineering and Technology(IET)', conducted by S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on March 2nd - 3rd 2015
- University level technical event, 'Nurturing Intelligence for Curious Engineers (NICE-2014)', in collaboration with world level technical body, 'Institution of Engineering and Technology(IET)', conducted by S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on September 28th 2014
- Workshop on 'Introduction to Proteus and PCB Design', conducted by S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on March 28th - 29th 2014
- Workshop on 'Virtual System Modeling', conducted by S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on September 28th - 29th 2013
- Workshop on 'Introduction to Scilab', conducted by S. S.V.P. S.'s. B. S. Deore College of Engineering Dhule on February 23rd - 24th 2013

Workshops/Seminars Attended

- National Level One Week Faculty Development Program on ' Research Methodology using ChatGpt', Organized by G.H.Raisoni's, Institute of Engineering Business Management Jalgaon, from 15th January 2024 to 20th January 2024
- National Level Online Workshop on 'CREATION OF COURSES FOR SWAYAM AND MOOC' organized by Santaji Mahavidyalaya, Nagpur & J.M.Patel Arts, Commerce & Science College, Bhandara, Dharampeth on October 21st 2023

- One day workshop on ‘Unlock the Secrets of a Successful Career in Digital Marketing’ by NEXTGEN DigiHub at S.S.V.P.S.B.S.Deore college of Engineering, Dhule on October 16th 2023
- Two days Faculty Development Program on ‘Artificial Intelligence in Healthcare’ organized by department of E&TC Engineering, R.C.Patel Institute of Technology, Shirpur on June 10th -11th 2020
- International Webinar on ‘Recent Trends in Wireless Communication’, organized by department of E&TC Engineering, R.C.Patel Institute of Technology, Shirpur on June 7th 2020
- Quiz on ‘COVID 19 AWARENESS’, organized by Mechanical Engineering department, S.S.V.P.S.B.S.Deore, College of Engineering, Dhule on June 5th 2020
- Karamveer Research Publication Review Quiz on May 26th 2020
- One Week Faculty Development Program on ‘Opportunities & Challenges in Electronics & Allied Industries in India post COVID-19’ organized by Vivekanand Education Society’s Institute of Technology, Mumbai on May 25th - 30th 2020
- Webinar on ‘Keeping Candidature Relevant –Post COVID 19’ organized by Maharashtra Association of Training and Placement Officer’s on May 23rd 2020
- International Webinar on ‘The 3ES Psychological well being of Engineering Professionals in the Technology driven VCUA world organized by IET Kanyakumari Local Network on May 23rd 2020
- Webinar on ‘Industry Scenario After COVID-19’ organized by Guru Gobind Singh College of Engineering and Research Center, Nashik on May 20th-21st 2020
- Workshop on ‘Life Skill Development’ at SVKM’s NMIMS School of Commerce, Dhule campus on January 11th 2020
- Workshop on ‘Interview Skills’ under Connect with Work’, A CSR activity Barclays, conducted by ‘Rubicon’ at S.S.V.P.S.B.S.Deore College of Engineering, Dhule on October 8th – 10th 2019

- One day National level Workshop on ‘Communication Skills, Soft Skills, Life skills and Employability Skills, organized by English Language Teachers Association of India (ELT@I) at Z.B. Patil College, Dhule on January 12th 2019
- Workshop on ‘Mobile Making’ at S.S.V.P.S.’s. B. S. Deore College of Engineering, Dhule on April 10th 2018
- ‘Indigenous World PCB Design’, workshop at S.S.V.P.S.’s. B. S. Deore College of Engineering, Dhule on April 3rd - 4th 2013
- National Level Seminar on ‘Natural Language Processing & Image Processing’, North Maharashtra University, Jalgaon on January 16th - 17th 2012

Projects Guided

- Face recognition using Matlab
- Industrial Automation using microcontroller 89C51

Conferences & Publications

- ‘ECG Denoising Using Wavelet Transform’, International Journal of Innovative Research in Electrical, Electronics, Instrumentation and Control Engineering, Volume: 2, July 7th 2014
- ‘EGG Feature Extraction for Denoising using Wavelet Transform’, National Conference on Advances in Communication and Computing (NCACC-13), R. C. Patel Institute of Technology, Shirpur, February 22nd - 23rd 2013
- ‘ECG Denoising Using Wavelet Transform’, District Level Poster Presentation, ‘Avishkar-2013’, Z. B. Patil college, Dhule, October 5th 2013
- ‘ECG Denoising Using Wavelet Transform’, University Level Poster Presentation, ‘Avishkar-2013’, North Maharashtra University, Jalgaon, October 18th - 19th 2013
- ‘Wavelet Analysis of Pulse-Oximeter Waveform for Identification of Unwell Children’, National level Paper Presentation & Technical Event (Illuminati-2k12), Gangamai College of Engineering, Nagoan, March 2nd 2012

- 'Iris Recognition using Ridglet Transform', National Conference on Advances in Communication and Computing (NCACC-12), R. C. Patel Institute of Technology, Shirpur, April 21st 2012
