## Mission of the Institute is "To develop Technocrats with Awareness of Socio economic needs for sustainable growth".

To achieve this mission, Institute is continuously working for sustainable development and produce the engineers with socio economic values. To serve the nation through implementing the technical advancement in the social projects, has always been on the priority list for the institute. Institute emphasizes on educating professional students by providing value based education and enabling the students to face challenges in the future.

To achieve the mission of the Institute, Institute provides resources, infrastructure and opportunity to the students. This is the most distinctive features, whose details are given below in brief.

#### **Technical development:**

The institute, implements Dr. Babasaheb Ambedkar Technological University curriculum through well planned and effective teaching learning method. Various measures have been implemented to take care of the needs of students. Organizing expert lectures, seminars and workshops to provide exposure to the students throughout the academic. Local guardian scheme is implemented by the Institute to provide counselling for the students. The institute provide various platforms in the form of technical clubs to provide opportunity to implement innovative ideas into various products. The students are facilitated to work on relevant problem related to society, industry through projects like minor and major projects. Students are exposed to work environment through regular industrial visits. Students undergoes industrial training or internships to enhance their technical knowledge and skills. Learning this way will boost team work, communication skills as the student work together to solve problems and help each other to reach their goals. In technical clubs' skill based learning makes them think logically, analyze the concepts and apply their insight. The institute also organizes various programs for providing hands-on training to the students of latest technology adopted by the industry. Students are also motivated to reach out to the industry for various industrial projects. The technical events and project presentations are organized by the Institute to develop interpersonal skills, innovations, sharing of technical knowledge, presentation skills and leadership qualities among students.

Faculty and staff members are motivated to upgrade their knowledge and skills by participating in various workshops, seminars and Faculty Development Programs (FDP) organized by various Institute, Universities and AICTE.

#### **Social development:**

Exposure to social issues and working on probable solutions are carried out by students through community projects. The students are exposed to the diverse social structure and their issues, particularly in the neighboring areas. Institute organizes various calendar events in every academic year as:

- Career counseling for Engineering aspirants
- Blood donation camp
- Student Induction Program
- Tree plantation
- Swachha Bharat Abhiyaan / Swachha Maharashtra Abhiyaan
- Road Safety Awareness
- HIV and AIDS awareness program
- Beti Bachav Beti Padhav
- National Voter's day under ELC
- Anti Corruption awareness week
- YIN (Youth Inspiration Network) in association with SAKAL news paper group.

• 'Shodh Udyojaktecha' (Saturday club Global Trust Dhule Chapter) under the flag of 'Atma Nirbhar Bharat'.

The students take part in helping the under privileged part of the society by organizing visit to the oldage home, blind school, dumb and deaf students school and Laprosy Aashram. Institute has organized rock show "Wings of Fire" as a charity event for Kerala Flood Relief fund in year 2018...

The institute has empanelled under UMA (Unnat Maharashtra Abhiyan) and UBA (Unnat Bharat Abhiyan). To serve the society, Department of Civil Engineering of the institute had been involved in the Design, Analysis and Managing water resources and peripheral projects catering the need of villagers and local authorities. Institute have been involved in Design of Village water supply schemes of more than hundred villages. The program objective is to provide appropriate technology solution to the Industry. Designing the 'Rural Water Supply' scheme fulfills the objective by providing the detailed solutions to the drinking water problem of the villagers. The Institute has been appointed as a third party inspection authority for checking works of soil and water conservation carried out by Non Government Organization (NGO) for Dhule district. Department of Civil Engineering carry out structural audit of Sevice Reserviors of drinking water and buildings. Third party inspection of water filteration plant and soak pit of various villages for 'Zilha Parishad' is carried out by Civil Engineering Department.

#### **Physical development:**

To achieve Institute mission students should be aware of technical and social needs along with physical fitness. To achieve physical fitness, the Institute promotes physical activities among the students. Institute has well equiped gymkhana. The institute celebrates international Yoga Day every year. Students are encouraged to participate in various sport events organized by university and institution.

#### **Cultural development:**

To enhance personal, team building, time management, creativity, communication and presentation skills Institute provides platform to the students by organizing cultural events 'Spandan' and Days' Celebration. This help the students to know themselves better in terms of their interest, ability, aptitude and opportunity. This encourages and develops extra curricular abilities and right approach amongst the students.

#### **Research and Development:**

Institute have university approved research laboratory. Many research projects have been conducted to solve industrial and social problems. In North Maharashtra region, hot weather conditions and sun shines are available nearly throughout the year. Considering the same, Mechanical Engineering Department of Institute focuses on research in the field of Solar Energy. Many projects of designing, manufacturing and testing of solar cookers and concentrators are carried out by the department. Micro Hydro Electricity generation project is installed at Akkalpada Dam, Dhule district. The project is sponsored by DPC (District Planning Commission) under collector of district Dhule.Institute is having 13 Ph.D. faculties and 18 faculties are persuing Ph.D. Total 44 students are registered as Ph.D scholars and persuing under 07 recognized Ph.D. Guides of the institute. The outcome of research activities reflects in reaserch publications in National and International Journals, Conferences and Intellectual Property Rights.

Subject: Regarding change in adopted villages under UBA.

Dear Sir,

As per above subject we want to adopt new villages as per your guidelines. We have adopted following villages: 1)Nave Kothare 2) Borsule 3) Saitale 4) Kaldar 5) Ozarpada.

Due to some technical issues we want to change these villages. Now we want to adopt following villages 1) Sitane 2) Fagne 3) Chinchkhede 4) Saitale 5) Behed.

Kindly grant us the permission.

Thanking you.

Yours faithfully,

Principal S.S.V.P.S's B.S.Deore College of Engg. Dhule

उन्नत महाराष्ट्र अभियान अभियांत्रिकी महाविद्यालये तसेच तंत्रनिकेतने व अन्य शैक्षणिक संशोधन संस्थामधील विद्यार्थ्यांना राज्याच्या विकासात सहमागी करून घेण्याची योजना...

### महाराष्ट्र शासन **ज**च्च व तंत्रशिक्षण विभाग, शासन निर्णय क्रमांक : धोरण ३०११/(४५/१६)/तांशि-२,

मंत्रालय विस्तार भवन, मुंबई-४०० ०३२

दिनांक : ५ जुलै, २०१७

संदर्भ :- १. शासन निर्णय क्रमांक : बैठक ३६११/(५६/१५)/तांशि-२,दिनांक१३/०१/२०१६ २.शासन परिपत्रक क्र.डीएपी-१०१६/प्र.क्र.८६/का.१४८१ दिनांक ७/४/२०१६ ३. शासन निर्णय क्रमांक : धोरण ३०११/(४५/१६)/तांशि-२,दिनांक१५/६/२०१६ ४.शासन शुध्दीपत्रक क्रमांक: धोरण ३०११/(४५/१६)/तांशि-२, दिनांक१८/१०/२०१६

#### प्रस्तावना -

उन्नत महाराष्ट्र अभियान तसेच उन्नत भारत अभियान ही राज्यातील अभियांत्रिकी महाविद्यालय तसेच तंत्रनिकेतन व अन्य शैक्षणिक व संशोधन संस्थांमधील विद्यार्थ्यांना राज्याच्या विकासात सहभागी करुन घेण्याची योजना अनुक्रमे संदर्भाधिन क्रमांक १ येथील दि. १३ जानेवारी, २०१६ व संदर्भाधिन क्रमांक ३ येथील दि.१५/६/२०१६ च्या शासन निर्णयानुसार कार्यान्वित करण्यात आली आहे. तसेच संदर्भाधिन क्रमांक 🖫 येथील दिनांक ७/४/२०१६ च्या शासन परिपत्रकान्वये अभियानाकरीता निधी उपलब्धतेच्या अनुषंगाने नियोजन विभागाने सूचना निर्गमित केल्या आहेत. दि. १३ जानेवारी, २०१६ च्या शासन निर्णयात नमूद केल्यानुसार सदरच्या अभियानाच्या सर्वोच्च पातळीवर सल्लागार समिती आहे. समितीच्या कार्यकक्षेत इतर बाबींसोबत विविध शैक्षणिक संस्थांचा सहभाग आवश्यकतेनुसार उपलब्ध करुन देणे, हि बाब नमूद केलेली आहे. तसेच शासन निर्णयात अभियानात सहभागी संस्थां व्यतिरिक्त इतर इच्छूक उच्च शिक्षण संस्थांना यात सहभागी होण्याची तरतूद आहे. यासाठी अभियानाअंतर्गत सल्लागार समितीने निश्चित केलेल्या निकषानुसार व प्रादेशिक गरजानुसार संस्थांची वेळोवेळी निवड करण्यात येईल, अशी तरतूद करण्यात आलेली आहे.

या संदर्भात अध्यक्ष, सल्लागार समिती, उन्नत महाराष्ट्र अभियान यांनी सूचित केल्यानुसार अभियानाची व्याप्ती वाढविण्यासाठी काही संस्थांचा सहभाग करुन घेण्याचे प्रस्तावित होते. यासाठी नोव्हेंबर, २०१६ मध्ये राज्यातील विविध संस्थांना ई-मेल द्वारे सूचित करुन अर्ज मागविण्यात आले. तसेच, अभियानाबाबत मार्गदर्शक कार्यशाळा देखील घेण्यात आली. तद्नंतर CTARA, IIT Bombay येथील चमूने राज्यातील इच्छूक संस्थांची प्रत्यक्ष पाहणी करुन व निश्चित केलेल्या निकषांनुसार तपासणी करुन १२ संस्थांची निवड केली

होती. या १२ संस्था, त्यांची पात्रता, निवडीचे निकष या अनुषंगाने उन्नत महाराष्ट्र अभियान सल्लागार समितीच्या दि. २४ मे २०१७ च्या बैठकीत सादरीकरण करण्यात आले. सल्लागार समितीच्या दिनांक २४ मे, २०१७ च्या बैठकीत ठरल्यानुसार या १२ संस्थांना मूळ सहमागी संस्था समवेत उन्नत महाराष्ट्र अभियानात सहभागी करुन घेण्याचे ठरविण्यात आले आहे. त्यानुसार संदर्भाधिन क्रमांक ३ व ४ येथील शासन निर्णय व शासन शुध्दीपत्रकात नमूद संस्थांव्यतिरिक्त उक्त नमूद १२ संस्थांना देखील अभियानात सहभागी करुन घेण्याचा प्रस्ताव संचालक, तंत्रशिक्षण संचालनालय, महाराष्ट्र राज्य यांनी शासनास सादर केला होता.

प्रस्तुत प्रकरणी उन्नत महाराष्ट्र अभियानाकरीता गठित केलेल्या राज्य सल्लागार समन्वय समितीच्या दिनांक २४ मे, २०१७ च्या बैठिकत घेतलेल्या निर्णयानुसार उन्नत महाराष्ट्र अभियानाकरीता निश्चित केलेले जिल्हे व शैक्षणिक संस्था यात सुधारणा करण्याची बाब शासनाच्या विचाराधीन होती.

#### शासन निर्णय-

उन्नत महाराष्ट्र अभियानाकरीता संदर्भ क्रमांक १ येथील दिनांक १३/१/२०१६ च्या शासन निर्णयानुसार गठित केलेल्या राज्य सल्लागार समन्वय समितीच्या दिनांक २४ मे, २०१७ रोजीच्या बैठिकत १२ शैक्षणिक संस्थांना उन्नत महाराष्ट्र अभियानात समाविष्ट करण्याचा निर्णय घेतला आहे. उन्नत महाराष्ट्र अभियानाच्या राज्य सल्लागार समन्वय समितीने घेतलेल्या निर्णयानुसार उन्नत महाराष्ट्र अभियानाकरीता निश्चित केलेले जिल्हे व शैक्षणिक संस्था या करीता संदर्भाधिन शासन निर्णय व शासन शुध्दीपत्रकाशिवाय पुढिल १२ संस्थांचा समावेश करण्यात येत आहे. सदरच्या १२ संस्थांकरीता संदर्भाधिन क्रमांक १,२ व ३ येथील शासन निर्णय/ शासन परिपत्रकातील तरतुदी लागु राहतील.

# Interest Letter for Impanelment for Unnat Maharashtra Abhiyan From SSVPS's BS Deore College of Engineering, Deopur, Dhule.

**Abhay Bhadalikar** <abhay.bhadlikar@gmail.com>
To: SSVPS Engineering <pri>sprinci.ssvps@gmail.com>

Fri, Jan 20, 2017 at 4:40 PM

Respected Oshin Madam,

We are SSVPS's BS Deore College of Engineering, Dhule, a renowned institute for technical education situated in the North Maharashtra Region. Through this medium , I would like to briefly highlight SSVPS's BS Deore College of Engineerings interest, motivation and rationale behind participating in the UMA mechanism, both from an institutional and societal perspective.

Being the first private Engineering College in Maharashtra we have been the 1st choice of many engineering aspirants in the area. The college maintains high standards of excellence in the academic sphere and in the infrastructure intended to implement the educational program. Qualified staff with decades of teaching experience has been the repute of college. Our institution strongly believes in the honest class room teaching and we are also focused on the overall development of our beneficiaries which are students. This has been achieved in long term through involvement of students and Faculty in various socioeconomic, sustainable and innovative projects in the form of last year's projects and consultancy.

One could easily identify the similarities in the projects done under UMA and our institution so far. So we are interested to be impanelled for UMA.

Please find the attached copy of Letter of Intent (Cover Letter) and the Excel Sheet which includes the details of consultancy work done by the college.

We hope SSVPS's BS Deore College of Engineering Dhule application to join the UMA framework will be seriously considered.

<sup>™</sup>hanking you.

### Covering Letter

Date: 20/1/2017

To.

Co-Ordinator.

Unnat Maharathra Abhiyan

Maharahstra, India

Subject: - Participation in UMA

Dear Sir.

Through the medium of this letter, I would like to briefly highlight SSVPS's BS Deore College of Engineerings interest, motivation and rationale behind participating in the UMA mechanism, both from an institutional and societal perspective. I will also lay down the objectives and goalposts that SSVPS's BS DeoreCollege of Engineering aims to achieve and the course of action that will be taken to achieve them. SSVPS's BS DeoreCollege of Engineering, Dhule, is a renowned institute for technical education situated in the North Maharashtra Region. Being the first private Engineering College in Maharashtra we have been the 1st choice of many engineering aspirants in the area.

The college maintains high standards of excellence in the academic sphere and in the infrastructure intended to implement the educational program. Qualified staff with decades of teaching experience has been the repute of college. Our institution strongly believes in the honest class room teaching and we are also focused on the overall development of our beneficiaries which are students. This has been achieved in long term through involvement of students and Faculty in various socioeconomic, sustainable and innovative projects in the form of last year's projects and consultancy. (The attachments depicts the range of projects done). We strongly believe that the faculty which has been involed in the projects which are technically and economically benifiting the society will end up developing their students a responsible and socially aware human being.

SSVPS's BS Deore College of Engineering Dhule shares UMA's concern about making ongoing research in engineering colleges, polytechnics, and other higher education institutes in Maharashtra more public-oriented by analyzing various day-to-day social and developmental problems in the state (for example, rural sanitation, toilets, drainage management, drinking water, road development, evaluation and reinforcement of roads, water conservation, fuel and energy, health, drought, etc.). Aligning curricula and research with development needs will serve two purposes-

- (i) contribute to socio-economic development agenda of the state through the provision of skilled manpower
- (ii) enable students, researchers and faculty members to work on live socioeconomic problems in an inter-disciplinary manner, leading to more wellrounded professionals with diverse skill sets

One could easily identify the similarities in the projects done under UMA and our institution so far. Participating UMA will definitely agitate the process of overall development of our students and faculty allowing them to be more socially responsible and technically smart.

As a leading engineering institution in this region, we would like to be at the forefront of solving regional societal challenges through academia and research. UMA will help us enhance our competitive edge by facilitating the development of new research practices and protocols, new job descriptions and new avenues for inter-disciplinary professionals.

The short to medium term objectives of SSVPS's BS Deore College of Engineering Dhule are-

- Establishing engagement with government agencies and local bodies as did before
- 2. A good past record of Networking with the regional institution shall be restrengthend.
- 3. Initiating and fostering research practice according to regional needs, sensitivities and demands

4. Encouraging interdisciplinary teams for project work that include socialscience practitioners as well as science and engineering researchers

To achieve the above objectives, our agenda is as follows-

- 1. Set up a meeting with the collector of our district
- 2. Set up a meeting with other UMA empaneled institutions in the region
- 3. Identify 2 or more developmental areas for research per department and gradually build a file of case-studies in each area
- 4. Create academic space for inter-disciplinary regional field projects that can be undertaken by students (similar to TDSL course offered at IIT-B)
- 5. Start the groundwork (identify funding, compile existing case-studies, pass guidelines) for the establishment of an inter-disciplinary T&DC

A list of projects undertaken by SSVPS's BS Deore College of Engineering Dhule in key development sectors has been provided in the participation sheet.

We hope SSVPS's BS Deore College of Engineering Dhule application to join the UMA framework will be seriously considered.

Thank you.

Regards,

Prof. Hitendra D. Patil.

Dear UMA Nodal Officers,

Thank you for your applications. The response has been very good and we look forward to reading all your applications.

I would like to inform you about the three stages of the UMA empanelment process-

- Stage 1: This week (23rd to 29th Jan)- The UMA Review Committee (Mr. Raj Desai, Dr. Avinash Amte and Ms. Oshin Dharap) will scrutinize and score the applications based on parameters such as experience in the development sector, experience in executing projects of inter-disciplinary nature, fieldwork and reporting, availability of seed funding to start T&DC, willingness to commit faculty time, etc.
- Stage 2: Next 2 weeks (30th Jan-13th Feb)- Mr. Raj Desai and Ms. Oshin Dharap will be visiting the colleges to (i) assess technical capabilities to conduct UMA activities and (ii) review supporting documents (agreements, MoUs, reports, certificates, etc). Colleges are requested to keep these documents ready for inspection. We will inform you about our schedule in a few days. Based on our visit, we will prepare a summary report for each college.
- Stage 3: Mid Feb- The UMA Advisory Committee will be holding their second meeting in mid-Feb. Colleges will have to make 15 minute presentations to the UMA Advisory Committee. The format of the presentation (what needs to be covered in the presentation) will be conveyed to you shortly.

Based on the college scores (stage 1), college summary report (stage 2) and college presentations (stage 3), the UMA Advisory Committee will take a final decision. The decision will be conveyed to the institution by end of Feb.

Let us know if you have any questions or queries.

Thank you once again.

Regards, Oshin Dharap

#### **Travel Plan**

Oshin Dharap <oshindharap@gmail.com> To: Abhay Bhadalikar <abhay.bhadlikar@gmail.com> Mon, Feb 6, 2017 at 2:42 PM

Dear UMA Nodal Officers,

Greetings from IIT-B! Congratulations on making it to the second stage of the UMA empanelment process. As informed before, Mr. Raj Desai and me will be visiting the colleges to (i) assess technical capabilities to conduct UMA activities and (ii) review supporting documents (agreements, MoUs, reports, certificates, etc).

Please find attached a tentative travel plan. We have tried to schedule it as per geographic convenience and convenience of certain colleges who deliberately asked for specific dates. We have tried to maintain flexibility to accommodate alternatives. Please let us know by tomorrow if these dates are suitable for you, and if not, then please suggest alternative dates (in the same week preferably). We might seek your assistance related to local logistics.

As the schedule indicates, the second meeting of the UMA Advisory Committee has been pushed to mid March.

The highlighted colleges have confirmed our visit.

Thank you.

Regards, Oshin Dharap

<u>Subject</u>:- Inspection and structural audit of old ESR

Reference:- Your letter of Grampanchayat, 13/12/2021

Sir,

The undersigned have done the site visit of above mentioned old ESR at Boris, Tal. Dhule, Dist. Dhule on 23<sup>th</sup> December 2021 and following points are observed:

- The ESR is 40 years old and its capacity is 2,00,000 liters. The villagers informed that there is water leakage from the container.
- ii) It is circular type ESR on 3-staging. The staging consists of four square columns and beams which are not in good condition. The columns and plinth beams are having cracks and reinforcement bars are exposed. The bottom slab and ring beam is deteriorated and reinforcement is exposed.
- The access ladder and side gallery is completely destroyed.

  In the view of above observations, it is recommended to dismantle the above mentioned ESR under technical supervision.

Gram Chaubari, Tal. Amalner,

Dist. Jalgaon

Subject:- Inspection and structural audit of old ESR

Reference:- Your letter of Grampanchayat Chaubari, 2021

Sir,

The undersigned have done the site visit of above mentioned old ESR at Chaubari, Tal. Amalner, Dist. Jalgaon on 13th Sept 2021 and following points are observed:

The ESR is 35 years old and head capacity of 50,000 liters. The villagers informed that there i) is severe water leakage from the container.

It is circular type ESR on 2-staging. The staging consist of four square columns and plinth ii) beams which are not in good condition. The columns and plinth beams are having cracks and reinforcement bars are exposed. The bottom slab of container is deteriorated due to leakage.

The reinforcement of bottom slab is exposed all around and there was severe rusting. iii)

The existing water tank is located at lower R.L. with respect to residential area of village iv) Chaubari due to this water is supplied at lower pressure to dead end/ other end of village.

In the view of above observations, it is recommended to dismantle the above mentioned ESR under technical supervision.

Yours faithfully,
